

INFANT/TODDLER CHILD CARE HEALTH CONSULTANTS

Courtney Summey, MPH, CCHC-C/E and Megan Pjura, MPH, CNA II, CCHC

About Us

We are Infant/Toddler Child Care Health Consultants with the NC Child Care Health and Safety Resource Center. We are here to support CCHC's and early childhood educators by connecting you with community health resources, provide the most up-to-date and evidence-based practices related to infant and toddler's health and safety, and provide technical assistance and training.
